### **Orientation Program During the Induction Program 2021-22**

An Orientation Program was designed to support the newly joined First year engineering students of the academic year 2021-22 at PimpriChinchwad College of Engineering and Research with an aim to create experiences and oneness with the educational philosophy and practices of the College. The event was held on 23<sup>rd</sup> Dec. 2021 in the S. B. Patil School Auditorium . Our Guests of honour was Dr. ArvindShaligram, CEO, SPPU Research Park Foundation,SavitribaiPhule Pune Universty, Dr. H.U Tiwari,Principal of PCCOER, Prof. SandeepPatil, Principal of S. B. Patil Science & Commerce College, Prof. ShitalkumarRawandale, PCET's Central Training & Placement officer .Due to carona pandemic First year Parents and Students attended this program offline and online through Facebook live.

The Objective of the function was to guide the students to set academic and career goals.

Dr. H.U. Tiwari advised the students to develop innovative ideas and get involved in research activities. Dr. ArvindShaligram encouraged the students to focus on overall development of one's personality, Mr. TusahrGaikwad, Head of the Department, explained about the college policies, departments and facilities.

Prof. ShitalkumarRawandale, shared his expert view about the placement scenario. Mr. Ajin Abraham Student from E&Tc department shared information about Department activities and shared his view about students' academic and Placement. College presentation presented by Miss VibhaRao and Miss RakshitaKhidbide 2<sup>nd</sup> year computer students.

The program was coordinated by Prof. PriyaOghe, anchored by Prof. Deepshikha Shrivastava and vote of thanks was given by Prof. PriyaOghe.

## **Induction Program Details:**

The students were involved in the following Workshops:

**Yoga and Fitness:** The week long Induction began with a series of Asanas and Yoga for a few hours, every day in the morning to enhance physical fitness and a consciousness towards diet. This was to address the physical quotient.

**English Language and Communication:** Mr Harshad Bhagwat from Words Maya enlightened the students of the first year by covering all the essentials of Communication. The session was termed Communication 360; it included interactions like think, pair and share, Group Discussion and Team Building activities. Through her interactive session he displayed that Soft skills are self-developed and life-learned attributes such as social skills, adaptability, team spirit and leadership. Another Workshop on Vocabulary followed Communication 360 to improve the word power and use of Language.

**Guest Lectures:** The students were exposed to guest lectures by Vishal Mahajan on Self Mystery, Dr. Rahendra More on Mind Body alignment many others according to the scheduled Programme.

**Human Values and Ethics:** The students participated in talks and debates on human values like compassion, truth, integrity, reverence and virtues. They were then involved as teams into slogan writing and poster making on the Human Values they believed in.
